Fenabel, SA is a family owned company that began in 1907 in Rebordosa, a city in the north of Portugal. Leading chair manufacturer, relying heavily on innovation and high spec, these are the distinctive qualities of our products.
Supported by the experience of three generations, Fenabel is specialist in the manufacture/production of chairs, offering a varied seating collection for Hospitality, Commercial, Residential and Healthcare segments.

Our product range is adaptable to almost all specification needs of a project, satisfying our various and well known clients, thus showing a trust in the excellence of our design and quality standards.
Combining our research and IT while retaining the trust in our methods, Fenabel will continue to be at the forefront of the furniture business, answering with distinction to the demands of an ever changing world.

Proud of our history, our values and goals and of what we´ve accomplished, we strongly believe that these values were and will continue to be the key to our success and made us a valuable partner to many companies worldwide, providing them with what we do best do best: CHAIRS.
